

Fayetteville Area Has Polio Outbreak

FAYETTEVILLE, Ark. (AP)—Washington County public health authorities ordered 30,000 doses of Sabin oral polio vaccine today and recruited 500 volunteers to administer it and put down an outbreak of the disease.

Nine people have been stricken with the disease in the northwest Arkansas county in the past two weeks and one of them, a 9-year-old boy, died.

Four of the cases are of the bulbar variety, the most serious kind of polio.

Dr. Paul K. Heerwagen, county health officer, said the vaccine will be purchased from Lederle Laboratories Inc., in Pearl River, N.Y., and will be delivered in time to start inoculations Sunday. School children will receive the vaccine Monday.

Heerwagen estimated that up to 85 per cent of the county's 55,000 people are carriers of the disease. He based this on public health surveys that show when the disease breaks out in such numbers, a certain percentage of the people must be carrying it.

"We need to get these persons immunized in order to prevent them from carrying the disease to other counties," he said.

Heerwagen said 500 doctors, nurses, druggists and private citizens have volunteered to help in the inoculation program.

The Type I oral vaccine will be offered to all adult residents Sunday in Fayetteville and in the surrounding towns of Springdale, Elkins, West Fork, Winslow, Prairie Grove and Lincoln. Inoculation clinics will be set up in schools.

The Type I vaccine would be most effective in eliminating the disease in the carriers, Heerwagen said.

The Arkansas Medical Society planned a statewide Sabin program in September but cancelled it when some people in Canada got the disease after taking Type III of the vaccine.

The county medical society is giving Salk booster shots to those who already have been inoculated in that manner.

The other eight patients are in Fayetteville hospitals.

The 5,000 students at the University of Arkansas in Fayetteville were asked to report to the Student Union Sunday to receive the vaccine.

Those taking the vaccine, Heerwagen said, will be asked for a \$5 cent donation but persons who do not have the money will not be refused the vaccine.

Heerwagen said "I don't think it is really as much of a program as most people are supposing it to be, but nevertheless we have to take precautionary measures."

Fayetteville and West Fork schools cancelled Halloween carnivals and other parties. Heerwagen said he did not think it was necessary at this time to close schools or forego church services.

Harding Plans New Buildings

SEARCY, Ark. (AP)—Two new buildings will be built at Harding College at a cost of \$1.7 million and \$300,000 will be spent to improve the Harding Graduate School of Religion in Memphis.

School officials announced the building program at a "Salute to Harding College Day" Tuesday. Sen. John L. McClellan and Rep. Wilbur Mills received citations at the ceremony for courageous service to the nation in protecting essential freedoms.

A \$1 million science building is planned on the Searcy campus and a continuing education center is planned at a cost of \$700,000. The center will include an auditorium and dormitory.

At Memphis projects include a \$200,000 apartment building for married students and a \$100,000 library.

School officials said a drive will be launched to raise funds for the projects.

Goldwater, Kerr to Make Appearances

Sen. Barry Goldwater, R-Ariz., makes a Halloween appearance in Little Rock tonight — to bolster treats, not tricks, for Arkansas Republicans.

The leader of the GOP's conservative contingent will be the featured speaker at a rally scheduled for 7 p.m. in Barton Coliseum. All four of the state's major Republican candidates are expected to be on hand.

Sen. Robert Kerr, D-Okla., will play a similar role for Democrats Friday night when he will be the drawing card for a rally in the same coliseum.

Both rallies are aimed at voters who will cast ballots in the general election next Tuesday.

Dr. Kenneth Jones, who is carrying the conservative flag against Sen. J. William Fulbright, D-Ark., is expected to fly to Dallas at noon today to meet Goldwater.

The Little Rock orthopedic surgeon said Goldwater, who has been a frequent critic of Fulbright, asked him to come to Dallas so the two could discuss "national and international issues" on the flight to Little Rock. They will fly from Dallas in Winthrop Rockefeller's private plane.

National Democratic Committeeman Pat Mahaffy said Tuesday he fact that his party also had scheduled a rally should not be taken as an indication of fear of Tuesday's election results. Polls taken last week indicate Democrats have nothing to fear in the election, he said.

Mahaffy said the Democrats had sold 7,200 tickets to their rally and expected a crowd of 10,000.

Republican State Headquarters said it would have 7,000 seats ready and "provisions for an overflow crowd."

Sharing the spotlight with Goldwater will be Jones; Willis Ricketts, GOP candidate for governor, and Cy Carney Jr., and Warren Liebman, both candidates for the U.S. House of Representatives.

Elsewhere on the political front, Rep. Oren Harris announced a "semi-political" television speech for Thursday night and Carney announced a three-day vote-hunting safari through the 3rd District Thursday.

Harris, the 4th district congressman, said his 30-minute telecast would deal with congressional redistricting and how it affects his south Arkansas district.

Carney, who is opposing Rep. James Trimble, said his "Carney for Congress" caravan would stop during the first two days at Huntsville, Harrison, Marshall, Jasper, Russellville, Clarksville, Ozark and Booneville.

Saturday he will join Ricketts and Jones on a town-to-town tour of Sebastian County.

Ex-City Attorney Is Sentenced

HOT SPRINGS, Ark. (AP)—Former city attorney Norwood Phillips Jr. of Hot Springs was sentenced Tuesday to four years in prison on two charges of forgery.

Phillips pleaded guilty in Garland Circuit court to the charges. The sentence was suspended on recommendation of Garland County Prosecutor David Whitington.

Also on Whitington's recommendation, a third charge of forgery against Phillips was dismissed.

The information filed against Phillips charged him with forging the name of Circuit Clerk Sherlon Hilliard to certain papers with intent to defraud.

U.S. Expecting New Trouble at Mississippi

By VAN SAVELL

OXFORD, Miss. (AP)—Amid signs of new trouble, the Justice Department sent its No. 2 man to the racially troubled University of Mississippi on Halloween eve.

Rowdy students quickly got this warning: quit harassing Negro James H. Meredith or face federal contempt charges.

Nicholas Katzenbach, the deputy attorney general, flew in from Washington in the wake of a firecracker barrage on Meredith's dormitory Monday night.

L. L. Love, dean of students, later told a group of students Katzenbach had announced that anyone arrested in future disturbances would be charged with contempt of federal court.

Tom S. Hines, director of student personnel, gave announcements of the warning to the campus radio station for broadcast, suoting Edwin O. Guthman, Justice Department press officer.

Even as Katzenbach flew in, trouble flared anew on the campus where rioting killed two and injured scores because of desegregation just 31 days ago.

Somewhere threw a soft drink bottle at a car carrying Meredith. The bottle crashed through the closed window of a rear door. Fragments of glass cut one of the four federal marshals riding with Meredith.

The incident occurred as Meredith returned to his dormitory from dinner in the student cafeteria.

Katzenbach's appearance gave an indication of the importance the Justice Department attaches to the possibility of more trouble over Halloween — traditional holiday for mischief-makers.

The No. 2 man behind Atty. Gen. Robert F. Kennedy, Katzenbach headed federal forces here when marshals put Meredith in the campus and soldiers kept him there in the face of rioting a month ago.

The warning of contempt citations apparently grew out of orders issued by the 5th U.S. Circuit Court of Appeals demanding

University Seeks Huge Increase

LITTLE ROCK (AP)—The University of Arkansas will seek increased appropriations of \$7,708,250 for the next biennium, Dr. David W. Mullins, president, said Tuesday.

Mullins told the Little Rock Kiwanis club the 1963 Legislature would be asked for an additional \$3,433,700 in the 1963-64 fiscal year and \$4,274,550 in 1964-65. The legislature appropriated \$11,322,920 for the university during 1962-63.

The increase would cover all operations of the university, including the Medical Center and Graduate Institute of Technology.

Mullins said enrollment at the Fayetteville campus has increased by more than 90 per cent in the past decade and the school will need 40 to 50 more faculty members in the next two years.

He said average salaries for top professors at the school are about \$2,000 below the national average for universities of the same category. Competition for services of these men, he said, is becoming acute.

Mullins said about 50 per cent of the increase asked for the Medical Center would be used to open all of the 450 beds of the university hospital. He said about 314 of the beds are now in use.

The Graduate Institute of Technology, he said, needs expanding to enable it to assist in high-level research activity that will encourage engineers and scientists to remain in Arkansas.

Mullins said there has been only one educational building completed on the Fayetteville campus of the university in 10 years. An animal science building and engineering center are being built now.

Increases for various operations of the university, by 1963-64 and 1964-65 fiscal years, with the 1962-63 appropriation in parentheses, outlined by Mullins were:

Main campus, instruction and research, \$1,449,600 and \$1,709,400 (\$4,056,920); Agricultural research and Extension, \$830,000 each year (\$3,181,000); Medical Center, \$1,006,500 and \$1,582,300 (\$3,532,000); Graduate Institute of Technology, \$125,000 each year (\$327,000); Industrial Research and Extension, \$12,700 and \$17,950 (\$127,000) and Soils and Testing Laboratory, \$9,900 each year (\$99,000).

N. C. A.

MARCH OF DIMES BOY — Five year old Jimmy Bogges of Coy, Arkansas, has been named a March of Dimes Boy for 1963. Jimmy was born with an "open spine" (spina bifida) and other internal disorders. Sen. William Fulbright (D-Ark.) gives his donation to Jimmy in Little Rock.

Blockade in a Compact Control Area

WASHINGTON (AP)—The Navy has pulled its Cuban blockade fleet into a more compact patrol area, it was learned today.

Exact boundaries of the new picket line were not disclosed, but they were reported well inside the original patrol section which started as much as 600 or 700 miles off Cuba, extending northeast toward Bermuda and eastward of the Virgin Islands.

The sea blockade was in suspension again today, but the quarantine fleet of carriers, cruisers, destroyers and submarines was still on station.

U. Thant, acting U.N. secretary-general, had asked that the U.S. blockade of offensive arms shipments to Cuba be lifted before he began discussions in Havana with Cuban Prime Minister Fidel Castro.

In announcing Monday night that the blockade would be suspended for two days beginning at dawn Tuesday, the White House did not say whether the quarantine would go back into effect after Thant leaves Havana.

Council in Reminder to Student Body

Wednesday morning in the Hope High School auditorium, the Student Council presented a program to point out the responsibilities of the student body on Halloween.

Vince Foster, president of the Student Council, opened the program with a few brief remarks on the history of Halloween and an explanation of a possible holiday for good behavior.

The students are judged by the Police Department and the school administration.

The program consisted mainly of a number of skits representing both the good and bad ways of celebrating Halloween and the consequences of both. The characters in the skits were: David Porterfield, Larry Lawrence, Paul Guerin, Diane Ellis, Johnny Cox, Janyla O'Steen, Jennifer Cox, Waddie, Carter Hardage, and George Jones, all members of the Student Council.

Mac McLarty, vice-president of the Student Council, brought the program to a close by reminding the student body of exactly what is expected of them.

1949 Class Gives Book in Memoir

The HHS Class of '49 (which had a reunion this summer) presented a beautifully illustrated book, "America's Historylands," to the Hope High Library on Tuesday in memory of the three deceased class members, Charles Clark, Eddie Stewart, and Mary Rose (Miller) Patterson.

The narrative ranges in scope from Mark Twain to Carl Sandburg. Not only is this a fine addition to the library, but it is much needed to help our local school reach the library standards set by the North Central Association.

If those standards are not reached by the end of the year, we could lose our standing in the National Association of Public Libraries.

Nehru Forced to Remove His Defense Chief

BULLETIN

NEW DELHI (AP)—Prime Minister Nehru today took over the Defense Ministry from V. K. Krishna Menon. Menon was named minister of defense production.

By HENRY S. BRADSHAW

NEW DELHI, India (AP)—Close quarter fighting between Indian and Chinese Communist troops was reported today on the potentially most vulnerable invasion route to the plains of Assam.

A Defense Ministry spokesman said an exchange of fire at fairly close quarters occurred Tuesday near Walong, at the eastern end of the frontier near Burma. It lies in the Lohit River valley, the easiest route through the Himalayas for Red Chinese armies.

The spokesman indicated the Communists might be trying to outflank the Indians at Walong.

In the only other fighting reported in the last 24 hours, the spokesman said Indian troops continued to shell the Chinese around Jang, five miles east of the captured monastery town of Towang on another route to the Assam plains.

The spokesman denied the Indians were attempting a limited offensive in the area, however.

Some 1,000 miles to the northwest in the other battlespace in Ladakh, there was no change in the situation, the spokesman said.

Asked whether the Soviet Union, an ally of Red China, is sending arms to India, the spokesman replied: "Certain equipment was ordered from that country and it is coming according to schedule."

He declined to discuss individual items such as the dozen jet fighters that India has ordered from the Soviet Union.

Since the Red Chinese launched their all-out offensive Oct. 20, the spokesman said, "We have been approaching all friendly countries from which we might get equipment and supplies."

Sources in Moscow have indicated the Soviets will not provide weapons for the Indians to fight the Red Chinese.

Shipments of British infantry weapons have been received here. Britain, the United States and Canada have promised to provide more weapons.

The timing of what is expected to be large-scale American military shipments to India is expected to arrive here by the end of this week. No details are available here, however.

The Red Chinese, who apparently have paused in their offensive, were reported to have put a large labor corps at work in the Himalayas building roads to bring up reinforcements and supplies.

Although the government is counting on massive U.S. weapons assistance to blunt and throw back the Chinese drive, the Indian press and government radio have given little publicity to this.

Reflecting years of official Indian nonalignment, most papers chose to publish circumspect statements about assurances of American assistance, although they had available authoritative reports that the United States was asked by Prime Minister Nehru.

Ft. Smith to Get G&F Office

LITTLE ROCK (AP)—The Arkansas Oil and Gas Commission said Tuesday it plans to open a district office in Fort Smith to serve the northwest Arkansas natural gas industry.

The plan was presented to the Legislative Council by Commission Director Edward A. Albarelli of El Dorado, who outlined the agency's slightly increased budget.

A petroleum engineer now assigned to the area works out of his home in Fort Smith.

Flashlight Satellite in Orbit

By HOWARD BENEDICT

CAPE CANAVERAL, Fla. (AP)—A flashing light "firefly" satellite soared into orbit today to measure the size and shape of the earth in an experiment which could produce more accurate world maps and establish guidelines for tracking men to the moon.

The 355-pound satellite, named Anna, rocketed away from Cape Canaveral at 3:08 a.m. atop a Thor-Able-Star booster. An hour later the Defense Department announced it was in a successful orbit about 700 miles above the earth.

The first stage pushed the package to the edge of space. The second fired for two minutes, then shut down and coasted for 25 minutes before restarting its engine to eject its satellite into orbit high above Ethiopia at a speed of nearly 18,000 miles an hour.

Officials reported that clear signals were being received from the payload.

Because the rocket was fired on a northeast heading in the direction of the Soviet Union, the Defense Department announced time and direction of launching in advance. Sources said this was done to alert the Soviet Union so that the Russians would not mistake the rocket for a hostile missile.

Official name of the satellite is Anna-1B, with the letters standing for Army, Navy, Air Force and NASA, the participating agencies.

The "firefly" nickname derives from four high-intensity xenon gas lights designed to be photographed against a background of stars as they flashed on and off at designated times.

The first launch in the program, Anna 1A, failed last May because of rocket trouble.

The blinking beacons — plus other precise radar, navigation and tracking instruments — were to help ground stations calculate distances on the globe and the general shape of the earth's surface and strength of its gravitational field with accuracy not possible before.

Thant flew to Havana Tuesday to arrange for confirmation of the removal of the Soviet-installed missile bases under an agreement between Premier Khrushchev and President Kennedy. He also is seeking to set up negotiations to resolve all aspects of the U.S.-Cuban dispute. He told Castro in a letter Sunday he hoped the discussions would result in respect for Cuban sovereignty and in reassurance for other countries which have felt threatened by recent developments in Cuba.

Havana radio said Castro will address the nation on radio and television Thursday "to analyze all the problems of the transcendent moment in which the country is living."

Thant is scheduled to return late today to New York, and negotiations for removal of the missiles are expected to open as soon as he gets back.

The Soviet Union's negotiating team will be headed by Deputy Foreign Minister Vasily V. Kuznetsov. President Kennedy's three man team includes John J. McCloy, veteran diplomatic troubleshooter; Undersecretary of State George W. Ball and Deputy Secretary of Defense Roswell L. Gilpatric.

Arraigned on Robbery Charge

JONESBORO, Ark. (AP)—Robert Lee Bolin, 31, of Essex, Mo., was arraigned Tuesday before U.S. Commissioner Bill Penix on a charge of conspiracy to rob a bank at Marmaduke.

Bolin was held for grand jury action and his bond set at \$10,000. He was confined in the Craighead County jail.

Bolin and Alfred Carl Keeling, 17, also of Essex, were arrested Oct. 26 near Piggott, Ark., on charges of car theft. A third person charged in the case, Charles Henry Harvey, 15, of Essex, was arrested Oct. 25 at Kennett, Mo.

Roy K. Moore, special agent in charge of car theft, said a third investigation at Little Rock, said Harvey was arrested driving a stolen car and told Missouri authorities he, Bolin and Keeling were planning to rob the Marmaduke branch of the Security Bank and Trust Co. of Paragould.

Moore said Harvey told him his companions were stealing a car from Kennett to provide transportation to Marmaduke. He said charges of car theft have been filed against the trio at Kennett.

Keeling and Harvey were not arraigned Tuesday. They were being held in jail at Kennett.

Suit Involves Land Payment

LITTLE ROCK (AP)—The state Highway Department asked the Arkansas Supreme Court Tuesday to halt payment by Crittenden Circuit Court of a disputed deposit to a landowner whose property is being condemned for a highway at West Memphis. A hearing will be held at 10 a.m. Friday on the department's request for a temporary order to stop the payment.

The department said Richard Walker of Memphis has asked about \$650,000 for land between Interstate Highway 40 and the Mississippi River. About \$100,000 was deposited by the department, but Circuit Judge Charles Light ordered the deposit be raised to \$256,000. The department seeks to halt payment of the additional funds.

Co-op to Build Electric Plant

LITTLE ROCK (AP)—The Arkansas Electric Co-operative Corporation applied Tuesday to the state Public Service Commission for permission to build a 100,000 kilowatt steam electric generating plant near Augusta. A \$22,573,000 loan for construction of the plant and transmission lines was approved by the Rural Electrification Administration Oct. 19. Harry L. Oswald, general manager of the corporation, said a definite site for the plant has not been chosen. The plant will be named after the late Gov. Carl E. Bailey, he said.

Thant Slated for 2nd Talk With Castro

By GEORGE ARFELD

HAVANA (AP)—Acting Secretary-General U. Thant scheduled a second meeting with Prime Minister Fidel Castro today to try to win agreement for U.N. verification of Moscow's promises to remove its missiles from Cuba.

An initial two-hour, 10-minute session between Thant and the bearded Cuban leader made no headway Tuesday, informants said. Castro reportedly stuck to such demands as abandonment by the United States of its Guantanamo naval base in southeastern Cuba.

The United States already has rejected Castro's demands, made last weekend. He also demanded lifting of all economic measures against his regime and guarantees against hit-run raids and invasion preparations.

Despite the reported lack of progress, a spokesman for Thant called the meeting "very useful." A communique issued afterward said "Cuba fixed her position and viewpoints with clarity," which informants said meant Castro was unyielding in his demands.

President Osvaldo Dorticos took part in the meeting.

The U. S. naval blockade remained in suspension as Thant and Castro prepared for their second session. Thant asked that the blockade of offensive arms shipments to Cuba be lifted before he began his Havana discussions.

In Washington, informants said that although the blockade was suspended, the quarantine fleet of carriers, cruisers, destroyers and submarines was still on station but pulled into a more compact patrol area.

The United States also suspended its aerial surveillance of Cuba to ease the atmosphere for the Thant-Castro meeting.

Thant flew to Havana Tuesday to arrange for confirmation of the removal of the Soviet-installed missile bases under an agreement between Premier Khrushchev and President Kennedy. He also is seeking to set up negotiations to resolve all aspects of the U.S.-Cuban dispute. He told Castro in a letter Sunday he hoped the discussions would result in respect for Cuban sovereignty and in reassurance for other countries which have felt threatened by recent developments in Cuba.

Havana radio said Castro will address the nation on radio and television Thursday "to analyze all the problems of the transcendent moment in which the country is living."

Thant is scheduled to return late today to New York, and negotiations for removal of the missiles are expected to open as soon as he gets back.

The Soviet Union's negotiating team will be headed by Deputy Foreign Minister Vasily V. Kuznetsov. President Kennedy's three man team includes John J. McCloy, veteran diplomatic troubleshooter; Undersecretary of State George W. Ball and Deputy Secretary of Defense Roswell L. Gilpatric.

All Around Town

By The Star Staff

Its off to Spain and Portugal Friday, Nov. 2, for Mr. and Mrs. Arthur H. (Bud) Collier, Hope appliance dealer and winner in a Norge dealer sales incentive program.

Mr. and Mrs. Collier, who qualified by selling Norge appliances, according to Gene Wilkins, sales manager at Graybar Electric Co., Little Rock, distributors, they are among the 3,000 retailers who will make the seven-day, six-night trip by intercontinental jet aircraft.

It will be the largest group taken by an American concern to visit Spain and Portugal. Major stops on the all-expenses-paid tour are Madrid and Lisbon with side trips to Toledo and Escorial.

The Golden Age Club of El Dorado will visit the Hope club on Thursday, November 1 in a depot.

Write Depot Commander, Red River Army Depot, Attn: Administrator, Deer Hunt, Texas, Kansas, Texas.

From time to time City Police cars take a beating from big-eared "kids" who apparently have nothing else to do.

the car is hit by an egg or some other thing is tossed into the vehicle's budget requests will continue.

but last night was nothing through Thursday.

THE COUCH

Presented by WARNER BROS.

Each member is reminded to bring something for the Grab Box.

Thursday, November 8

The Gardenia Garden Club has postponed their meeting from Nov. 1st to Nov. 8.

Duplicate Bridge Club

The Hope Duplicate Bridge Club met Monday, Oct. 29 at the Diamond with 4 1/2 tables of players. Mrs. R. L. Broach and Miss Mary K. Lehman teamed up to take first place scoring honors. R. L. Broach and E. P. Young, Jr. were the couple in second place. A tie for third was between Mrs. E. P. Young, Jr. and Miss Elizabeth Bridewell, Mrs. Marie Hendrix and Mrs. Harry Hawthorne.

Victory 4-H Club Meets

On October 11 Jennifer Smith called the Victory 4-H Club meeting to order at 7:30 p. m. After singing several songs the secretary, Carolyn McMillen read the minutes and called the roll. The devotion was given by Helen McCorkle. The pledges were read by Sue McMillen and Jacky Sumpster.

After discussing the advantages and disadvantages of the recently bought piano the members discussed and accepted the motion of a hayride. Demonstrations were given by Ruby Davis, Sandra Wright, Nancy Stevenson and Jacky Sumpster. The meeting was then adjourned.

Emmett 4-H Club Has Meeting

The Always Forward 4-H Club of Emmett met on Oct. 15 at 7:30. The club voted to change the meeting to every third Wednesday in each month to meet at 3 which will make the next meeting November 21 in the City Hall at Emmett. The meeting was then adjourned.

The club invites all new members.

Coming and Going

Judy Boswell, a student at Southern State, was the weekend guest of Dr. and Mrs. Herbert Rogers.

Pat Burroughs, a Ouachita Baptist College student, visited her mother, Mrs. F. J. Burroughs, over the weekend.

Misses Judy Moses, Sheila Foster, and Irma Hebert, all of Beaumont, Tex., and Mr. and Mrs. John Freeman of Arkadelphia spent last weekend with Mr. and Mrs. Perry Moses.

Mrs. Roy Allison and Martha left Wednesday for Davidson, N. C., to visit Roy Allison at Davidson College.

for arms, and has promised to rush them here. The arrival of two plane loads of British arms was published on inside pages.

Besides automatic rifles and other infantry weapons, tanks and aircraft are expected to be written on the virtually blank checks which the United States and Britain have given India to order arms. Canada also has promised weapons.

The Indian army is counting on tanks to throw back the Red Chinese if they fight their way through the high mountain defenses to the lower foothills of the Himalayas in their drive toward the plains of Assam State.

Battles are now shaping up at 2 1/2-mile-high Se Pass, 14 miles southeast of the Chinese-held monastery town of Towang, and Walong in the mile-high Luthit River valley, 15 miles west of the Burma border.

The two main Chinese drives are from those areas toward what they claim to be the border with India at the edge of the thickly settled Assam plains.

At the other end of the battle line, in Ladakh 1,000 miles to the northwest, the Chinese already hold more than 12,000 square miles of what they claim is their territory.

U.S. Expecting

the enrollment of Meredith and the end of a 114-year-old policy of segregation at Ole Miss.

"I would hate to see any of you boys arrested," Love told a gathering of students in a dormitory. The university called off a football pep rally scheduled for Tuesday night, fearful of the prospects of upwards of 2,000 students meeting in one place to whip up enthusiasm—even for Ole Miss' traditional game with Louisiana State this weekend.

Payment of Bond Debts Okayed

LITTLE ROCK (AP)—Biennium payments of \$14,39,983 toward payment of the state's highway bond debt and of \$200,000 toward the Employment Security Division bond debt were recommended Tuesday by the Legislative Council.

The council left pending a decision on pay raises for three state Commerce Commission secretaries.

The recommendations will go to the 1963 General Assembly, which convenes in January.

Budgets of the state Bank Department and Securities Division were approved by the council Tuesday. The Bank Department south \$149,267 for fiscal year 1963-64 and \$147,317 for 1964-65. The Securities Division asked \$82,145 for each of the two years.

The council opened budget hearings Monday. The hearings are expected to continue into December.

The first steam boat to navigate the Arkansas River was the "Comet" in April, 1820.

Assessors Elect

LITTLE ROCK (AP)—Arkansas Assessors Association elected Cleo Moody, Lawrence County assessor, president Tuesday. He succeeds Benton County assessor Clyde Duncan. J. P. Lybrand Jr. of Jefferson County and Kenneth Eddy of St. Francis County were named vice president and Ed Suringer, secretary treasurer. The association's annual convention ends at noon today.

Little Rock was incorporated as a town in 1831.

SALE SALE

TOTAL LIQUIDATION

NOTICE
BECAUSE OF THE NATURE OF
THIS SALE, MHOON'S CANNOT
GUARANTEE SUPPLIES. IT'S
FIRST COME!
FIRST SERVED!

HERE'S OUR STORY
IN A NUTSHELL

For many years, Mhoon's Jewelers have been serving the people of Hope and surrounding area. Because of circumstances beyond our control, we have decided to close our doors and QUIT BUSINESS FOREVER. Rather than sell to dealers, we are placing our fine stock on sale in a "TOTAL LIQUIDATION SALE" which will offer an unparalleled opportunity to obtain never-to-be-forgotten values. Our stock consists of the finest brand names known to the jewelry industry—Watches, Gold & Silver Rings, Sterling and Plated Holloware, Fine China and Crystal, Giftware and hundreds of assorted gold and silver items. Included is our large selection of the finest in Diamond Rings and Diamond Watches. It is all to be completely CLOSED-OUT AND LIQUIDATED for whatever it will bring! Yes, there is to be no reserve, nothing held back. In many instances prices are cut in two and then cut again. Do not mistake this for just another sale—we are QUITTING BUSINESS FOREVER—COMPLETELY AND FAST! Come expecting much. You will not be disappointed! We pledge you, yes, we guarantee your prices you will never see again. Sincerely, MHOON'S JEWELERS

For Hempstead County Representative
GRANDISON D. ROYSTON, JR.

When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar periods as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours thereafter. The minor periods, shown in regular type, are of somewhat shorter duration.

	Minor Major	Minor Major	Minor Major
	A.M.	P.M.	
Wed. . .	7:15 1:00	7:35 1:25	
Thurs. .	8:05 1:50	8:30 2:15	
Fri. . .	9:00 2:45	9:25 3:10	
Sat. . .	9:55 3:40	10:20 4:15	

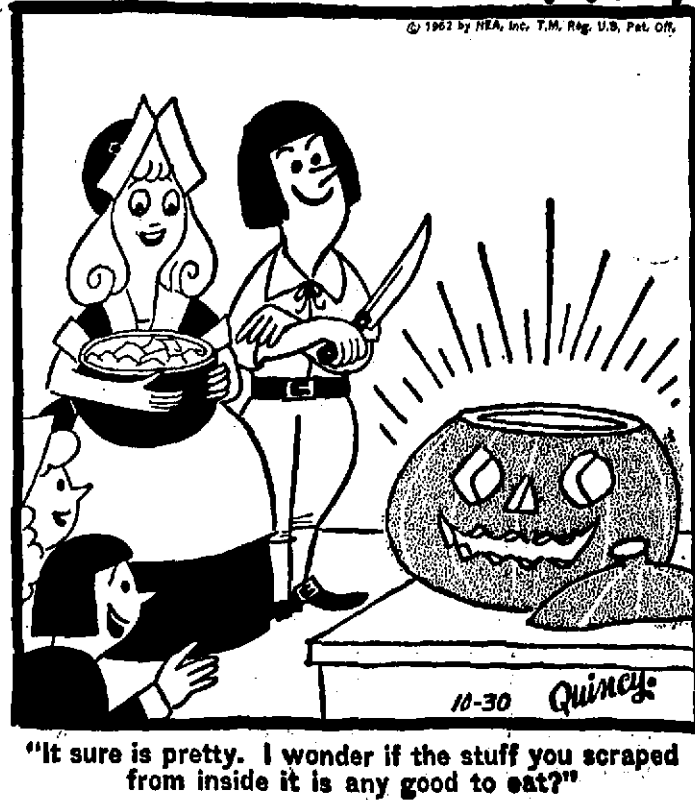

Financier Who Ran Away Returns

NEW YORK (AP)—Runaway financier Edward M. Gilbert, back from Brazil of his own accord, was free today on bond after being arraigned on both federal and New York State charges in connection with a nearly \$2-million shortage in the firm he once headed.

In State Supreme Court on Monday, he pleaded "not guilty—at present," the phrasing indicating he might be hopeful of an eventual reduction in the severity of the state's 12-count indictment. He posted \$10,000 bail on those charges, which accuse him of stealing his firm's funds.

Earlier, Gilbert, 39, former president of the E. L. Bruce Co., pleaded innocent to federal charges that he stole the hardwood flooring firm's funds for his own use. He was released in \$15,000 bond on the 15-count federal indictment.

OUR ANCESTORS by Quincy

Halloween One Scare to Count on

By HAL BOYLE

NEW YORK (AP)—I like Halloween. In a fearful time it is one scare you can count on.

To an untidy middle-aged person, life becomes a kind of constant halloween, encumbered by ghostly restraints that point spectral fingers of warning against any vision of plenty.

One is educated also to a growing fear of the knock on the door you aren't really frightened. You are usually bored. When you answer the door, you don't feel that any hard-muscled men will be waiting there to pull you toward the incinerator—or at least warn you to pay an overdue bill.

No, alas, the man who raps upon your panel is likely either to try to sell you life insurance or a children's encyclopedia, or remind you it is time to vote for the politician of his choice.

I have learned never to admit a political partisan into my apartment near election time.

As to life insurance and encyclopedia salesmen, they hold for me neither terror nor adventure. I am absolutely overbought in those fields.

But along about now I really enjoy answering the door. We also enjoy building up stock of candy to reward the query: "Trick or treat."

Once when I was younger, I replied, "There's no treat here. What's your trick?"

The child squirmed unhappily. He knew no trick. Then I squirmed too. Sticky wicket.

Children today would rather be feted than play pranks. Probably it's better that way. Maybe.

When the thunder of childish fists beats a tattoo on our door tonight, I know it will open to admit a motley crew of costumed chowls and beasties.

Our cat, Lady Dottie, is bound to go up and rub herself against a pair of small legs.

"How can she tell me?" our outraged and disguised daughter, Tracy Ann who is 9, will say. "Doesn't she know I'm a monster?"

Yes, indeed.

What children don't realize is that the way they dress themselves to be on Halloween is the way their parents and other friends think of them all the year long.

But to know a monster is to love one. And particularly if you buy it shoes.

Polio Closes Halloween Trick-Treat

FAYETTEVILLE, Ark. (AP)—Washington County doctors have asked the public to call off Halloween "trick or treating" Wednesday night because four cases of polio have been reported in the county in the last two weeks.

Two probable cases have been reported, the Washington County Medical Society said. And, in addition, there has been an increase in cases of measles and mumps and one case of diphtheria.

One Fayetteville child, 9-year-old David Matthews, died of polio last week. The other five patients are in Fayetteville hospitals.

The county Medical Society met Monday night and appointed Dr. Rodney Baker of Fayetteville to inquire about Sabin oral polio vaccine for the county. Baker said today he could not get any from the U.S. Health Service.

Dr. Paul K. Heerwagen, public health officer, asked that all non-essential public meetings be cancelled. He said it is not yet necessary to close schools, theaters and churches.

Space Rocket to Snoop on the Stars

WASHINGTON (AP)—The space agency shot a rocket 118 miles high Monday night to snoop on energetic young stars.

The rocket's nonorbiting 230-pound scientific payload also carried a couple of hitch-hiking instruments which were being road-tested, in effect, in preparation for the launching of the United States' first Orbiting Astronomical Observatory, OAO, satellite in 1964.

The Aerobee rocket was fired from the Wallops Island, Va. facility of the National Aeronautics and Space Administration and impacted in the Atlantic 59 miles from the launching pad, the agency reported today. No attempt at recovery was planned.

Primary aim of the flight was to measure the ultraviolet energy distribution from two stars that are comparatively young in terms of evolutionary development and are burning rapidly. Instruments were pointed specifically at the stars "Gamma Cassiopeia" and "Delta Persei."

Data on the ultraviolet energy distribution of such stars is needed, the space agency said, as part of a star evolution study being conducted by the University of Wisconsin.

Also aboard, though not concerned with the primary experiment, were three photometer instruments—devices for detecting various forms of light from distant sources. Instruments of that type will be carried by the sophisticated OAO satellite. Monday night's test was the first in-flight checkout of any of the OAO gadgets.

Cuban Crisis Political Arguments

By JACK BELL

WASHINGTON (AP)—Political argument over the Cuban crisis flared up again today after a Democratic spokesman's suggestion that Gen. Dwight D. Eisenhower bow out of the campaign.

Indignant Republicans found no validity in a complaint by Sen. Vance Hartke, D-Ind., that some of Eisenhower's barnstorming statements might be misleading because they indicated "there is room for criticism of the position taken by the President" in the Cuban missile threat.

At Gettysburg, Pa., a spokesman said Eisenhower was not available for comment.

Hartke told a news conference Tuesday he was speaking only for the Democratic senatorial campaign committee he heads and not for the White House when he suggested Eisenhower give serious consideration to cancelling future campaign appearances.

Hartke was vague about the specific Eisenhower statements to which he objected. He said that among other things the former Republican president had left "the clear implication that this crisis is no different from any other one."

He said this could be interpreted abroad as indicating that there was not solid support for President Kennedy's action in ordering the quarantine of offensive arms shipments and demanding the dismantling of missile bases.

Pleads Guilty HOT SPRINGS, Ark. (AP)—Willie Lee Jackson, a Negro of Hot Springs, pleaded guilty Monday to a charge of assault with intent to kill and was given a 1-year suspended sentence. He was charged in Garland Circuit Court in connection with the shooting of his estranged wife Aug. 6, 1961.

Guernsey Drops Three to Fouke

Three Guernsey teams tangled with Fouke last night and the result for the Hempstead County school was three losses.

Fouke Junior girls took a 22-16 victory with Guernsey's Ravecraft making nine and Fouke's Beasley 12.

Guernsey Senior Girls lost 60 to 48. Rosenbaum scored 38 for the Guernsey and Ferguson made 39 for Fouke.

Stephens, Norvell and Griffin each tossed in 20 points for Guernsey but the 60 wasn't enough as Fouke made 70 points. Green of Fouke scored 29.

Fight Results

By THE ASSOCIATED PRESS

FRESNO, Calif.—Gabe Terronez, 147, Fresno, knocked out Chico Santos, 140, Oakland, Calif., 4.

SAN ANTONIO, Tex.—Raymundo Torres, 143½, Mexico, knocked out Joey Parks, 141½, Omaha, 3.

NEW YORK, Teddy Pagan, 160, Puerto Rico, outpointed Tony Fortunato, 160, New York, 10.

HONOLULU — Hurricane Kid, 156, Honolulu, knocked out Johnnie Featherman, 157, Bisbee, Ariz., 4.

ALC Members to Tour State

LITTLE ROCK (AP)—Members of the Arkansas Legislative Council will begin a tour of state institutions next week with their first stop scheduled for the state penitentiary.

The three-day tour begins Nov. 8, and includes visits to the schools for the blind and deaf, the State Hospital, the boys and Negro girls training schools, the Tuberculosis Sanatorium and the Children's Colony at Conway.

The group will spend the first night at the penitentiary and the second night at the sanatorium.

The tour originally included a visit to the Benton unit of the State Hospital, but the Vocational Rehabilitation Center at Hot Springs was substituted.

Service Extension

LITTLE ROCK (AP)—The Central Arkansas Telephone Co-operative, Inc. has asked the state Public Service Commission for permission to serve additional territory in Hot Spring County.

The firm would add Section 26, Township 4, South, Range 19 West, an area now without service.

Beaver Dam Bids

LITTLE ROCK (AP)—Bids for construction of the powerhouse and switchyard at Beaver Dam on the White River northwest of Eureka Springs will be opened Jan. 15 by the Little Rock District of Army Engineers. Engineers estimated cost of the project at \$4 million. Construction is scheduled for completion by Sept. 1, 1965.

Thought For The Day
Few things are needful to make the wise man happy, but nothing satisfies the fool; and this is the reason why so many of mankind are miserable.—Rochefoucauld said it.

Calendar Of Events
The Friendship Club will hold its regular meeting at the home of Mrs. Essie D. Brantley Friday night, Nov. 2 at 7:30. All members are urged to be present.

Coming And Going
Mr. and Mrs. Willie Evans had as weekend guest Mr. David Mays of Toledo, Ohio.

Mr. Mays accompanied Mr. and Mrs. Evans home from Toledo after they had spent several weeks there. The Evans were also accompanied home by Mrs. Martha Love and son and Miss Margaret McFadden who came home because of the illness of their mother Mrs. Georgia Anna McFadden. They all left Monday evening enroute back to Toledo.

Obituary

Mr. Husie Jamison, a resident of Magnolia, Ark., passed away in the VA Hospital, Shreveport, La., Monday, Oct. 29.

He was the brother-in-law of Miss Mary Nash and uncle of Mrs. Oziree Wilson.

Funeral arrangements will be announced by Smith Funeral Home of Stamps, Ark.

Blevins N.F.A. Chapter

The N. F. A. Chapter of Blevins training school, won sixth place in the third district livestock show held at Hope, Arkansas on September 28, 1962. Alfonso Walker a member of the Blevins N. F. A. Chapter was elected Secretary of the Peach Blossom Federation of New Farmers of America held at Rossion, Ark., Oak Grove High School on Oct. 12.

Not Satisfied

LITTLE ROCK (AP)—Rep. Oren Harris, D-Ark., said today the proposed settlement of the Cuban crisis will "lessen tension but I'll not be fully satisfied by any agreement which leaves the communists in control of Cuba."

Harris said that regardless of what agreement may be signed, the United States is committed to use "whatever force may be necessary" if the Cuban situation ever again creates a threat to the nation.

In an interview, Harris endorsed President Kennedy's initial actions in the crisis but said he felt the chief executive waited too long to act.

SPORTSMANSHIP IN AUTO DRIVING By BOBBY DODD

Head Coach and Athletic Director, Georgia Tech, Atlanta, Ga.

When you play football you start by accepting a great many rules and limitations made for you — not by you. For example, the field of play is limited to 100 yards by 50 yards. It is clearly marked so you can stay within it. Referees and field officials decide when rules have been violated, and assess the penalties. All of the rules and regulations are designed to make the game a real challenge, yet safe and sane.

The star player, the one who gets the respect and admiration of the public, is the player who can consistently do his job within the rules. Believe me, that takes a real skill, plus self-discipline and self-restraint. Those qualities make a star.

When you drive an automobile, you start by accepting a great many rules and regulations made for you — not by you. There are limitations to where you can drive, and how fast. Our highways and streets are clearly marked in lanes and with signs so you can be constantly aware of the limitations. There are referees and officials—the police and highway patrolmen — to decide when rules have been violated and courts to assess the penalties. All of these are designed to make automobile driving safe and practicable for the crowded streets and highways.

The "star" driver, the one who gets the respect and admiration of those who know and observe him, is the driver who consistently gets where he's headed, quickly if he needs to, but within the rules. That takes skill, self-restraint and self-discipline. Those qualities are part of the good driver — the good sportsman.

Any "dumb-bunny" can drive a car without regard for the rules and limitations. It takes real skill to drive safely and within the rules.

The next time you're tempted to "cheat" on a traffic light, remember you are penalized when you get "off side." When you feel like crossing the yellow line on your side of the highway, remember that's like asking a referee to let you carry the ball on the wrong side of the side lines. That's silly stuff.

Right here any similarity between football and automobile driving ends. Football is a game. Only two teams play on the field. There are no hazards to spectators. Automobile driving is different. You share the streets and highways with others — many of them are driving of necessity, on business. Your driving can be a hazard not only to yourself but to many others.

And the penalties for violations of rules and regulations are much, much more severe. The least penalty is arrest and fine; and a poor motor vehicle record that can be a lifetime handicap. The most severe penalty can be DEATH to yourself and/or others. If you play at automobile driving, you're playing for keeps — with lives at stake.

Be a good sportsman when you drive. Get where you're headed, quickly when necessary, but within the rules — those made for you, plus your own good judgment. BE A "STAR" DRIVER!

and with 12 seconds left in the game, the Kittens had claimed their 12-0 win.
Fullback Bobo Ball was the offensive gun for the Bobkittens as he racked up 79 yards. Samuels carried for 35, Strong for 34, Ingram for 16, and Pardue for 4. The Kittens outtrushed the Cubs 168-52 and cut passed them 22 yards to zero. The linemen for the locals in this their final game of the season were: Lawrence, May, Balsan, Duke, Moses, Hughes, Aslin, Barber, White, Lemley, and Powell.
Incidentally this gives the Hope Bobkittens a four year record of 24 wins and 3 losses or 88 per cent.

Teachers on Top of Conference

By THE ASSOCIATED PRESS
Arkansas State Teachers College, sitting atop the Arkansas Intercollegiate Conference with a 5-0 record, leads the AIC also in rushing with an average of 205 yards per game.

Statistics released Tuesday showed the Bears second in total offense, however, with an average of 248 yards per game. Arkansas Tech tops them with 285.1. Tech also leads in passing, with 6.1 yards.
In pass defense, Teachers is first—giving up only 42.3 yards per game. The team also holds the total defense lead with 186.3 yards per game.
Henderson leads in rushing defense with 127.3 yards.

Porks Concentrate on Fundamentals
FAYETTEVILLE, Ark. (AP) —

The University of Arkansas Razorbacks concentrated on fundamentals during an hour and a half workout in chilly weather Tuesday.

Coach Frank Broyles commented, "The shifting around is over. We just have to play football now."

The Porkers face a stiff defensive test Saturday when they meet Texas A & M at College Station, Tex. But they will have the services of three players formerly on the doubtful list.

Petit Jean State Park, created in 1923, was the first in the state.

Juniors Take Measure of Magnolia

By VINCE FOSTER

Coach Billy Mitchell's Hope Bobkittens teamed together last night to whip the Magnolia Cubs 12-0 in the Kittens' Homecoming game. A score seconds before each of the halves gave the locals this win and a 4-2 record for the year.
The first half was fairly even with the Kittens controlling the ball. With only seconds to go before the half, Riley Lemley covered a Cub fumble of the Magnolia 22. Then Hope QB Sammy Strong connected with Bobby Samuels on a 22 yard heave into the end zone. The PAT failed, and the Kittens had a 6-0 lead with 20 seconds remaining before the half.

The Bobkittens dominated the second half, but again they only threatened seriously in the final minutes. A Magnolia back fumbled with three Kittens rushing in on him. Larry May finally ended up with the ball on the Cub 20. Plays later Strong executed a bootleg perfectly and rambled long around his left end for 13 yards and the score. Again the PAT failed.
